

IMPERIAL FASTENER & Industrial Supplies & Services

Imperial
& **Fastener**
Industrial Supply Co., LLC

A Division of **HS** HAGGARD & STOCKING

Who We Are & What We Do

In today's evolving industrial, maintenance, and construction marketplaces, you need a supplier that is positioned to provide not only the most advanced products and technical support, but also one that is flexible and can provide a wide range of value-added services. Imperial Fastener has prided itself on doing just that. We supply a wide range of fastener products, perishable tooling, material handling products, related MRO products, and Safety & PPE products from top manufacturers to our clients. Plus, our Best-In-Industry procurement solutions make us uniquely qualified to help drive down your total cost of doing business.

DYNAMIC PRODUCTS & SERVICES

INDUSTRIAL TOOLING

Imperial Fastener represents over 750 premier manufacturers and maintain a multi-million dollar inventory, along with a sales team trained to assist in the most technical applications including engineering. Our technical support and value-added services provide the latest technology and products to maximize hard and soft cost savings and drive down labor expenses.

FASTENERS

We are a full-service fastener distributor offering everything from structural, stainless steel, socket products, standard & custom shapes & sizes, as well as inventory systems.

MATERIAL HANDLING

Imperial offers expertise in many applications including moving & lifting and storage & organization. While we keep many systems in our inventory, custom-designed solutions are always available.

SAFETY & SOLUTIONS

We offer a unique customer experience that combines a showroom with off-the-shelf safety equipment available for immediate purchase, as well as specialty consulting and training from that can be arranged from one of our many safety partners.

INDIANAPOLIS WELD CENTER

Located in our Indianapolis-based parent company (Haggard & Stocking) facility, our Lenox Certified Weld Center provides factory-certified Lenox Bandsaw Blades in just a one-day turnaround time. We keep a variety of coil stock on hand for many types of applications. We also offer expedited 2-hour turnaround for emergencies.

PROCUREMENT SOLUTIONS

INTEGRATED SUPPLY

This full-service support offers the most seamless delivery of your tooling needs, as well as vending, comprehensive reporting, and optimization of your processes.

STOCKING AGREEMENTS

Our most basic cost-savings offering is a Stocking Agreement, allowing optimal pricing with minimal risk through leveraged buying power and consolidated invoicing.

REPORTING

With second-to-none reporting capabilities, we ensure you are always in control of your budget and inventory, prepared for corporate audits, as well as changes in demand.

VMI PROGRAMS

With fully managed MRO products, Imperial conducts vendor & product usage evaluations and then streamlines delivery utilizing our dedicated inventory support staff, significantly lowering operating costs.

VENDING & TECHNOLOGY

Utilizing ScanSys™ barcoding, RFID, swipe-card, automated vending, bin stocking, and web-based ordering, Imperial offers custom solutions scaled to fit your needs with the latest technology.

VALUE ADDED VENDING SERVICES:

- On-site Installation and Training
- Machine Maintenance and Repair
- Software and Database Support
- Barrier-Free Productivity
- Security at Every Level
- Total Accountability
